

Students Taking
Renewed Interest
in the Value of
Education

Class of 2022 Students

You're invited to be part of STRIVE!

About

STRIVE is a program where Faribault Rotary works with local high schools for the purpose of motivating students to improve their school performance during their senior year. The major aspect of the program is that it connects community members with students to share helpful information that students can use throughout their lives!

STRIVE stands for, "**S**tudents **T**aking **R**enewed Interest in the **V**alue of **E**ducation."

What is STRIVE?

STRIVE is a select group of seniors that meets 8 times during the school year to help students achieve their goals after graduation. Meetings are online via Zoom and in each session we hear from community members who cover topics like goal setting, budgeting, applying for scholarships, career development and more. If you are not able to attend the session live, a recorded version will be available for you to watch. Students who are part of STRIVE and participate in at least 6 meetings will be eligible to apply for STRIVE scholarships.
