

It's Time to Re-Enroll!

Parents/Guardians of current Bethlehem Academy students:

You should have received an email from **Bethlehem Academy** requesting that you re-enroll your student(s) for next year. Our hope is to have students re-enrolled **before Tuesday, March 17**, so that we can begin planning for the 2020-2021 school year. In the email, there was a **click here to enroll** link. Here are the rest of the steps:

- Log in to your TADS account
- Click on the Enrollment button. At the bottom, click on the **Visit** button.
- Your student(s) should be listed. On this same line, under **Status**, click on the **Enroll Here** link.
- Follow the prompts. Please note that your information from 2019-2020 will appear. At each section, you will have a chance to update any incorrect information. Continue to follow the prompts until you finish and then click **Submit**.
- You will need to do this for each student.

Please note: Financial aid applications are also completed through TADS, but under a separate module. **Applications must be completed by February 17, 2020**. You may use your 2018 tax returns when applying. Applications received after the deadline will be awarded financial aid based on assessed need and availability of funds. On our website at www.bacards.org, go to the **Enrollment** tab and click on **Tuition and Financial Aid** for worksheets, links, and more information on our tuition assistance programs.

See page 2 for 2020-2021 tuition and fee information. Please contact Kris Sauer at 507-334-3948, 206 or ksauer@bacards.org with any questions.
