Artist Julie Fakler will teach you step by step on how to paint a portrait of your pet. In class you'll learn about under painting, form, shape, and color. In the first class we will complete the first layer of colors (paint), and we'll return the next day to add a second layer of colors (paint). If time allows more layers can be added to

your masterpiece. Email your pet photo to info@paradisecenterforthearts.org and we can print it out for you. Wear clothes that can get paint on them. Supply fee \$10.00 per student. Instructor: Julie Fakler

### **Painting Portraits grade 1-6 (virtual)**

Tuesdays in March 3:30pm-4:30pm (no class week of spring break): **Painting Portraits grade 7-Adult (virtual)** Thursdays in March 7:30pm-8:30pm (no class week of spring break): Member \$32/Non-Member \$40.

What can we learn from a portrait? Learn to properly proportion a face, color theory and what colors you will use in your painting. Use a cubist perspective to consider facial parts from different angles as you study Picasso's work. Study symbolism in portraits through

Frida Kahlo. Think about places, experiences, feelings and things that you would like to express in your painting, then create a self-portrait with symbolism from your own life. Supply fee: "Art Kit" will need to be purchased from the Paradise for this class. The Art Kit will have enough supplies for two of Kate's painting classes. \$20 per kit includes paint, brushes, paper, and canvases. Instructor: Kate Langlais
