

Parental Permission and Contact Information

Post-Prom at Bethlehem Academy

Saturday, May 4-5, 2024

11:30 pm - 3:30 AM

BA students and parents have been given an information sheet with a lot of important information regarding the Post Prom event. Please refer to this information for details of the event.

Every student attending the event, regardless of age, must turn in this signed Parental Permission and Contact Information form to the BA office. **To be guaranteed a T-shirt, return no later than Friday, April 19th.** Any non-BA student who accompanies a BA student to Post Prom following their attendance at Prom must also turn in this form. **No student will be allowed to go to Post Prom if this form is not turned in to the office.**

Anyone not abiding by the rules and protocols for this event will not be allowed to continue to participate in the Post Prom event and a parent will be contacted. Event chaperones will try to take reasonable measures to keep all attendees safe. No alcohol, drugs, or smoking of any substances (including vaping) will be tolerated at this event. We will be checking students as they enter and may possibly have a random check during the event if a situation arises that warrants it. No food or drink may be brought into the event. Bags measuring 6"x4"x2" may be brought into the event and will be required to be checked. Please note that the students' bags left in locker rooms at Grand March will remain in the locker rooms for the duration of the Post Prom event. Students will not be allowed access into the locker room until the event has ended at 3:30 AM.

Parents, by signing below and providing contact information, I understand I am giving permission for my child to attend the Post Prom event at Bethlehem Academy. I understand by attending this event or allowing my child to attend this event, I will not hold Bethlehem Academy, or the parents/chaperones, or anyone else at this event, responsible for any injuries or safety issues that might arise. I understand chaperones will take all reasonable measures to keep students safe.

We have a hypnotist for the event. If your child would like to participate, please indicate below. If we have more volunteers than needed, we will draw names. By circling yes and signing below you are also allowing your child to participate if they wish.
