How Gift Card Fundraising Helps Lower Your Child's Tuition

Gift card fundraising, also known as "*Scrip fundraising*", has been the #1 fundraiser for nonprofit organizations across the U.S. for more than 25 years.

Why? - Because it's easy and more convenient than selling cookies, wrapping paper, etc. Earn simply by buying gift cards to use for everyday purchases, instead of cash or credit cards.

Buy Gift Cards - Select from 750+ popular national brands, with options for eGift cards (available immediately), physical gift cards, and reloadable gift cards. There are also many local vendors that accept Community Scrip gift certificates! No extra money spent. No wasted value.

You pay \$50 for a \$50 gift card. Use \$50 to pay for your purchases or give as a gift.

Earn Funds - For every gift card purchased, you *could* receive earnings from 1.5% up to 20%. When you purchase gift cards through the RaiseRight program you purchase them at face value. We are able to purchase these gift cards at a *reduced price* from Great Lakes Scrip Center and some of our local vendors. The difference in that price is an **instant rebate**. The rebate is then split (70% to families and 30% back to help cover the cost of the program) and posted to your account. This credit will be applied to the following year's tuition for your child/ren.
