

STEELE WASECA COOPERATIVE ELECTRIC SCHOLARSHIP

Each year Steele-Waseca Cooperative Electric (SWCE) embraces the cooperative spirit of giving and works with local area high schools to award scholarships to deserving high school seniors. One \$1000 scholarship will be awarded at each participating school. Each participating school selects their recipient based on the individual school’s eligibility requirements, and SWCE’s requirements that the applicant must be a dependent of a SWCE member and must be continuing their education full time at a two- or four-year technical school or college. A major part of the funds to support these scholarships are derived from unclaimed capital credit equity.

In order to apply for the scholarship, please write a **one-page, double spaced write-up about your post-secondary plans, where you see your career path heading, and how your academic journey at Bethlehem Academy has prepared you for this path.** Upon completion, please turn in to Mrs. Sauer.

Additionally, please provide the following information:

Student Name: _____
