**Tax of 7% is charged on non-food items only!! (Example would be any of the totes in our catalog).**

## **How deliveries will be handled:**

Great news! Orders will be delivered directly to each customer's door via UPS. Use the direct shipping to your advantage...There will be NO orders to sort through, so you can take orders from anyone.....anywhere. So, check with your friends, neighbors, Grandparents and anyone you know. Just make sure that you have the complete address on the forms. Also, if you need something right away, let me know. Orders can go in at any time and still count for the fundraiser.

The fundraiser will begin on October 10th and continue through November 4th. **All order forms and money should be returned on or before November 4, 2022.** Turn around time for delivery of products is always less than 2 weeks from the date I order, usually closer to one week. This means everything should be in before Thanksgiving!! I will be more than happy to answer any questions you have regarding products, totaling orders, or any other questions that may arise. You may contact me via phone at (507) 339-2333. You may also email me at [akshuda@charter.net](mailto:akshuda@charter.net) and I will get back to you as soon as possible. If anyone wants recipes or more information on our products, they may visit our website at [www.tastefullysimple.com](http://www.tastefullysimple.com).

I want our fundraiser to be as easy and successful as possible. If you need more catalogs or order forms, just let me know!
