

DMCS's 1st Annual Kid's Christmas Shop

★ ★ ★ Monday, December 13 ★ ★ ★

We're ready to help your elves cross a few names off their Christmas list while independently shopping at a fun, new PAWS sponsored event!

All students can purchase low-cost gifts using an easy-to-understand ticketing system. Prices will be \$.50 to \$3, with no shopper spending more than \$5.

Gifts will be gently loved items looking for a new owner and best of all, they will come home wrapped and ready to put under the Christmas tree or gift to a teacher.

Proceeds will go towards yearbooks with the goal of reducing costs and making them accessible to all students in 2022!

DONATIONS NEEDED!

It's time to go through the house with your family and donate any toys or items that are ready for a new home. Please carefully consider each item. While it does not need to be new, make sure it's in good condition - remember, a student will proudly gift it to someone they love!

We are accepting the following items for donation (this is a general list, but not limited to): toys, puzzles, books, movies, holiday decor (all holidays), jewelry, outdoor or sports-themed items, purses, frames or coffee cups.

We can not accept food, clothing, blankets, pillows, bulky/large items or fragile or breakable gifts. Donated items will not be returned to the original donor. Leftover books and toys will be offered to DMCS teachers and then donated to a local charity.

WRAPPING SUPPLIES WANTED!

Please also donate any unwanted bags, tissue, gift tags and wrapping paper! A great way to clear out some wrapping clutter & help make gifts special for students.

DATES TO REMEMBER:

November 29 - December 9:
Donations will be collected in school entryway in blue bin
December 13: Kid's Christmas Shop
