

Since we are frequently challenged with transportation when it comes to extracurricular activities, I want to both clarify current guidelines and make you aware of some changes. We realize that students have been encouraged to ride home on the bus, but some of you meet the bus in Mt. Lake (or might be willing to do so), and some of your students drive to Mt. Lake to catch the bus. Either way, not everyone needs a ride home after games so we need a system for knowing who will be in vehicles.

1. We have made the commitment to provide transportation back to Comfrey from Mt. Lake, but in order to make that work, a few steps need to be followed. We realize that sometimes planning ahead is difficult, but we need to know how many students we need to arrange transportation for early enough to arrange drivers.
 - a. Mr. Hup must be notified by the student that he/she will need a ride home from Mt. Lake after the game.
 - b. Only students who have notified Mr. Hup that they will need a ride will be given a ride home. We will not turn around and go back for students who have not let us know they need a ride.
 - c. We are not currently planning on providing transportation for HOME games – whether they are played in Comfrey or Mt. Lake. If your son/daughter is unable to ride home with you or with another parent after the game, please call Mr. Hup, and we will arrange transportation if possible. At many times, we only have one driver available, and when home games and away games fall on the same night, we just do not have transportation options.
2. A second option for getting students to Comfrey is parent drivers. If you are willing to pick up your own athlete and have room for a few others in your vehicle, please let Mr. Hup know.
 - a. If you drive students other than your own child back to Comfrey, you can turn in a mileage form to the office, and you will be paid a mileage flat fee of \$15.00.
 - b. All students will be given a permission form stating that parents have agreed to this arrangement. Only students with a permission form on file can ride with you.

PLEASE FILL OUT THE FORM ON THE BACK IF YOU ARE WILLING TO OCCASIONALLY DRIVE.
