

## Reading with Your Kids

- Show your kids reading is important by letting them see you reading.
- Invite them to sit beside you as you both read your own books.
- Set up a weekly library trip to select books.
- Have them help in the kitchen by reading recipes aloud as you prepare dinner or by creating the evening menu.
- Have reading materials in every room in the house.
- Spend some time with your kids reading every night before bedtime.
- Allow your child to turn the pages and follow the words with their/your fingers.
- Ask your child to predict what might happen next.
- Use funny voices for the characters.
- Change parts of the story and encourage them to correct you.
