Directory Information

Directory information is information that is public student information. We use this information for rosters, photographs, game programs, event programs, publication of student awards (honor roll, student of the month etc.) and limited other uses. Items we identify as Directory Information are as follows:

It includes, but is not limited to: the student's name, address, telephone listing, electronic mail address, photograph, date and place of birth, major field of study, dates of attendance, grade level, enrollment status (i.e., full-time or part-time), participation in officially recognized activities and sports, weight and height of members of athletic teams, degrees, honors and awards received, and the most recent educational agency or institution attended. It also includes the name, address, and telephone number of the student's parent(s).

Directory Information is found in Policy 515 on our website at www.foley.k12.mn.us hover over "District" click on "School Board" click on "District Policies." You may also access the location by clicking on the following link: Foley School District Policies

Most commonly, this policy allows us the opportunity to create game and event programs with student names etc. There are instances where a student will want us to provide information to a post secondary institution etc. This policy allows us to do so.

Should you choose to "deny" the directory information, please send me a letter signed by the parent/guardian indicating that you are "denying directory information for the 2022-23 school year" then identify the child(ren) for whom you are denying directory information. You may address and mail the information to:
