The archery team was on 🔥 FIRE 🔥 this past Saturday, at the 2024 Frozen Open in Princeton. We are incredibly proud of all our archers and their accomplishments! Every weekend at tournaments the archers have been passing their personal bests, this weekend included. This week, Archers have been practicing hard on their form and aiming spots. Which showed in the results. The archers also had set up a personal goal to shoot at Princeton Frozen, many of them had met and surpassed it.
