Today is day 2

Good Morning FIS and Welcome Back! So far you have earned tickets 1886. Our goal is 3,000 tickets. Remember we are focusing on Respect. This means respect for the school, your classmates, your teachers, and yourself. If we meet our goal by December 15th we will be having an assembly where students will have the opportunity to compete against their teachers. This competition will involve some setting and spiking! Keep working hard to earn those tickets
