Each year Tag selects an organization to help during the winter months and this year it is the RONALD MCDONALD HOUSE. The Ronald McDonald house help house families while their child is receiving hospital care. It is a great organization that have helped so many families locally. We are asking to collect 300 items. If

each student brings in just 3 items that is all it will take. The class that brings in the most items will receive an ice cream party at the end of January. A list of all of the items that are needed for the Ronald McDonald house are listed on the bulletin board outside of the cafeteria. Please tell your parents about this and please bring in at least 3 items. It is for a very worthy cause. We will collect items until January 31st.
