Our TAG group is trying to bring kindness, inclusion and respect into the school. To encourage this, we have started the **Kindness Cards, the BINGO board and will be having a speaker.**

Kindness Cards are cards a student or STAFF MEMBER can write to a student or staff member that is kind, encouraging, supportive, 3rd party compliment and always positive. Mrs. Possin will be checking them so no one gets a negative or mean card. They can be filled out and placed in the blue box outside of Mrs. Possin's office. She will hand them out every Friday at lunch.

BINGO - We are asking students to participate to earn a half wolverine day. You and your advisors will work together on this. Advisors will be mentoring the progress of your class and letting Mrs. Possin or Mrs. Gehring know when you have completed a task on the board. We are asking for proof of the tasks being complete sending you pictures, collecting items, showing you the items, etc. To get a wolverine day each class has to get a BINGO. If the school completes a blackout, we all get free popcorn on our wolverine day. The BINGO board is located outside of the cafeteria.
