

GRAND MEADOW HIGH SCHOOL SOCIAL MEDIA GUIDELINES FOR STUDENT-PARTICIPANTS

*Playing and competing for Grand Meadow High School is a privilege. Student-participants are held in the highest regard and are seen as role models in our community. As leaders you have the responsibility to portray your team, your group, your coaches, your directors, our school, and yourselves in a positive manner at all times. Facebook, Twitter, Instagram, and other social media sites have increased in popularity globally, and are used by the majority of student-participants in one form or another.

*Student-participants should be aware that third parties, including the media, faculty, future employers, and college officials, could easily access your profiles and view all personal information. This includes pictures, videos, comments, and posters. Inappropriate material found by third parties affects the perception of the student-participant and our school. This can also be detrimental to a student-participant's future options (i.e. college, profession). Examples of inappropriate and offensive behaviors concerning participation in online communities may include depictions of the following, though this list is not meant to be all inclusive:

- Photos, videos, snaps, tweets, retweets, tik-tok videos, comments, or posters from any social media outlet showing the personal use or possession of alcohol, drugs, and tobacco.
- Photos, videos, snaps, tweets, retweets, tik-tok videos, comments, or posters from any social media outlet that are of a sexual nature. This includes links to websites of a pornographic nature and other inappropriate material.
- Photos, videos, snaps, tweets, retweets, tik-tok videos, comments, or posters from any social media outlet that condone drug-related activity. This includes, but is not limited to, images that portray the personal use of marijuana and drug paraphernalia.
- Content online that is unsportsmanlike, derogatory, demeaning, or threatening toward any individual or entity (examples: derogatory comments regarding our school, another school, coaches, or teammates; taunting comments aimed at a student-participant, coach, or team at another school and derogatory comments against race and/or gender). No posts should depict or encourage unacceptable, violent, or illegal activities (examples: hazing, sexual harassment/assault, full or partial nudity, inappropriate gestures, stalking, gambling, discrimination, fighting, vandalism, academic dishonesty, underage drinking, and illegal drug use).

*Everything you post is public information – any text or photo placed online is completely out of your control the moment it is placed online – even if you limit access to your site. Information (including photos, videos, and comments) may be accessible even after you

remove it. Once you post a photo or comment on a social networking site, that photo or comment becomes the property of the site and may be searchable even after you remove it.

*If you are ever in doubt of the appropriateness of your online public material, consider whether it upholds and positively reflects your own values and ethics as well as those of Grand Meadow High School. Remember, always present a positive image and do not do anything to embarrass yourself, the team, your family, or Grand Meadow High School.

*In short, do not have a false sense of security about your rights to freedom of speech. Understand that freedom of speech is not unlimited and does not equal freedom from consequences. The online social network sites are NOT a place where you can say and do whatever you want without repercussions. The information you post on a social networking site is considered public information. Protect yourself by maintaining a self-image of which you can be proud for years to come.

* If social media guidelines are not followed a Code of Conduct Violation will be filed with the Minnesota State High School League. Code of conduct violations have students sit out of events/games for 2 weeks or 2 games/events, whichever is longer

By signing below you affirm that you understand the Grand Meadow High School Social Media Guidelines for student-participants and the requirements that you must adhere to as a Grand Meadow High School student-participant. In addition, you affirm that failure to adhere to these guidelines will result in consequences that will follow those of our student code of conduct policy.
