

How to Add ASD templates to your Evaluation Report for ASD reviews

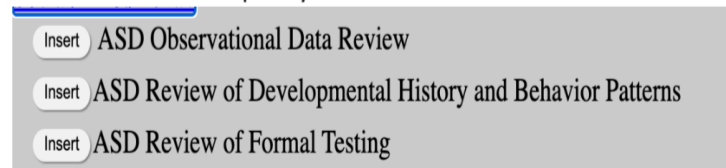

1. Open your Evaluation Report
2. Open the Page in the evaluation report for the ASD section in which you are going to write.
3. Once on the page - go to the top of the report and find the button to the top right that is labeled LOCAL TESTS. and Click that Button.

4. Click on the Button for Social/ Emotional/ Behavioral

[Social/Emot/Behav](#)

5. Choose which Template you would like to use and hit INSERT

Once the Template (s) is inserted onto your Page, you will fill in the BOLD sections with the correct information. Please make sure you are reviewing the most recent past evaluation for your reviews from History.
