**AHERA Annual Asbestos Notification
November 6, 2023**

During the past school year and continuing into the 2023-2024 school year the following asbestos management plan activities have been or are currently being completed, pursuant to the Environmental Protection Agency 40 CFR Part 763 - "Asbestos Containing Materials in Schools; Final Rule and Notice."

ACTIVITIES SCHEDULED FOR 2023-2024

- Periodic surveillance inspections
- Notification of asbestos locations for short-term workers (electricians, plumbers, etc.)
- Training of district personnel

St. Louis County Schools ISD 2142 has contracted with the Institute for Environmental Assessment (IEA) to provide environmental, health, and safety consulting services, including being involved in the above-listed activities.

The complete Asbestos Management Plan is available through the St. Louis County Schools ISD 2142 District Office.

Any questions concerning this notice or our Asbestos Management Plan can be directed to Mike Vieau, Director of Facilities and Grounds, St. Louis County Schools ISD 2142, at 218-749-8130, or to Taylor Dickinson, IEA, 218-410-9521.
