Terri Frider  
Benefits Coordinator

Mike Vieau  
Director of Facilities & Grounds

This month we'd like to showcase our District's new Benefits Coordinator, Terri Frider and our new Director of Facilities & Grounds, Mike Vieau.

A little about Terri, she was born in Minneapolis, and moved to Hibbing when she was four years old. She loves the outdoors, fishing, bowling, long rides on the side-by-side, and spending time with her family and her almost three-year-old granddaughter, Blake. Terri has a background in the human resources field and benefits coordination.

Terri started her new position with our District this winter and will be supporting our benefits processes and procedures for employees. If you have questions about health insurance, life insurance, dental or other benefits offered through our school district, please contact Terri with your inquiries.

A little about Mike, he grew up in Buhl, MN and loves the small town life. He's proud to call this area of northern Minnesota his home and to be raising his children here. Mike is an avid outdoorsman and enjoys sports and spending time with his family. He also has a background in building trades and facilities management.

Mike started with us this past month as the Director of Facilities & Grounds and will be directing and overseeing the department, and its projects.
