Good afternoon,

This email is to clarify coverage under the PEIP plans for Online Care. PEIP members are encouraged to use Online Care, available as part of PEIP benefits, for common illnesses and COVID-19 screening. The benefit does not require a copay or coinsurance, however for members enrolled in the HSA plan, IRS regulations require application of the deductible, except for screening for COVID -19 symptoms.

- BlueCross BlueShield members: use Doctor on Demand or virtuwell
- HealthPartners member: use Doctor on Demand or virtuwell
- PreferredOne: use MDLive or virtuwell

Please pass along this information to your PEIP members.

Thank you.
