- 9. Donation Request: Madlain has asked if the PTO would consider donating to the Theater productions. Her budget is limited and asked for assistance. There are roughly 8-10 elementary students that participate in the play each year (depending on the play). There was a motion to pay the theater account \$300 as a donation from the PTO. Bev A was the first to motion approval and Melissa D. seconded it. Motion passed, Chrissy will get a hold of Hilary and have her write a check to Madlain.
- 10. Budget Thought: There was much discussion about the Arts/Music being added to the PTO Budget. This would allow the departments to access money that they wouldn't normally have. Chrissy will look further into the budget and create a line item for Arts/Music totaling no more than \$500. When we look to approve next years budget this will be added as a new line item.
