Follow-up

Birthday Celebrations: Due to COVID, at these time students should not bring items in to school for celebrating Birthdays. Sorry for the oversight and any confusion on the last parent link.

Student drop-off/pick-up EXTENSION: For another 2 weeks; Due to the road construction on the corner of 2nd/Water St. We are asking that you please use the main office entrance as a drop-off and pick-up location for your student, before and after school. At any time, you need to drop your student off late or get them early from school this location will ALWAYS be used for that, as we need to check the -in/out. Thank you so much for your cooperation.
