

BEHIND THE WHEEL DRIVER EDUCATION TEACHER

Qualifications:

- Minimum:
1. Bachelor's degree in education
 2. Meet state requirements for endorsement of driver education

Job Goal: To enable students to develop the proper attitude and necessary skill for safe driving.

Essential Duties & Performance Responsibilities:

1. Prepares the drivers training vehicle and its occupants for safe and efficient travel.
2. Instructs students to comply with all regulations pertaining to driving and the necessary skills to operate a motor vehicle safely and efficiently.
3. Prepares the students to identify, predict, and respond according to urban and rural driving environments.
4. Maintains and prepares all necessary records and reports.
5. Explains and interprets the school's driver education program.
6. Performs all responsibilities listed under the heading of teacher.
7. Performs other tasks and assumes other responsibilities as the principal, superintendent and/or board may assign.

Terms of Employment: Drivers education instructional program will be held after regular school hours and during the summer. The length of school day and semester will be in compliance with the minimum requirements to meet state certification, i.e., each student receives at least six hours of driving time. The hourly rate shall be determined by the Board.

Evaluation: Performance of this position will be evaluated in accordance with the board's policy on evaluation of certified personnel.
