CURRENT COVID PROTOCOL:

If your child has tested positive for Covid during the 22-23 school year we are requiring the following:

- Your child must stay home from school for five (5) days from the onset of symptoms.

- After 5 days, if they are symptom free and have no fever without use of medication, they may return to school.

If your child has been exposed to covid they can still come to school if they are symptom free. However if they have symptoms following an exposure then they must isolate for 5 days from the onset of symptoms.
