## ***Science Fair Special Awards***

Man Fung Zhuo

Recipient of the NASA Earth System Science Award

The goal of the NASA Earth System Science Award is to increase awareness regarding the importance of scientific research in the area of Earth system science, the study of the complex system and the interconnections that occur on Earth.

It is presented for the project that best demonstrates insight into Earth's interconnected spheres.

Leilani Phan

Recipient of the Ricoh Sustainable Development Award (RSDA) Award

RICOH USA is honored to provide a Ricoh Sustainable Development Award (RSDA) Certificate to recognize Leilani Phan whose outstanding project addresses social and environmental challenges and a meaningful solution for a more sustainable future.

Andy Chen and Renjie Chen

Recipients of the Office of Naval Research - US Navy/US Marine Corps Award

The Naval Science Awards Program (NSAP) recognizes the accomplishments of Andy Chen and Renjie Chen in producing and presenting quality science and engineering projects.

Daniel Shiraki and Kate Kaneshiro

Recipients of the United States Air Force Award

The Air Force Research Laboratory is proud to support Science, Technology, Engineering, and Mathematics (STEM) initiatives for our nation's youth. The Air Force is committed to providing opportunities to develop the future leaders in STEM through venues such as Science and Engineering Fairs. As the nation's most technically advanced forces, the Air and Space Forces recognize the critical need to foster and increase STEM talent to remain on the cutting edge of technology and is proud to present Daniel Shiraki and Kate Kaneshiro with this award

Latasha Hui

Recipient of the Association for Women Geoscientists Award

The Association for Women Geoscientists (AWG) is pleased to provide an Award Certificate and an honorary AWG membership for the current year to girls and young women (including cis-gender, transgender, gender fluid and non-binary persons) whose projects, in the opinion of the judges, exemplify high standards of innovativeness and scientific excellence in the geosciences and/or Earth sciences.

### Kalani 4.2: LifeSmarts : Hawaii State Champion

**Andy Chen:** Highest Score in the 1st round assessment in Personal Finance

**Jiaorong (Michelle) He:** 2nd Highest Score in the 1st round assessment in Consumer Rights and Responsibility

**Kyla Iglesia:** Key role in Buzzer Rounds of the competition

**Brandon Tran:** 100% Online Assessment in Environment / Highest Score in the 1st round assessment in Environment

**Mason Vuong:** Highest Score in the 1st round assessment in Technology

Kalani had two of the four teams qualify for the 2024 LifeSmarts State Finals at UHManoa Ballroom. Our students did a great job representing Kalani High School. They brought home many individual awards but more importantly was the way they demonstrated sportsmanship and gratitude to the event organizers, judges, and sponsors.

Our younger team, Kalani 5.0, did a good job even though they went into the competition with, the required, four team members rather than having a fifth member to be able to utilize, placing a respectable Fourth Place.

Our second team, Kalani 4.2 began the competition as the top seeded team in the competition had a slow start but were able to make a comeback in the Final Buzzer round to win the State title, earning a trip to represent the State of Hawaii and Kalani High School at the National Championships in San Diego this April.

Our teams are 98% student run. They took the reins and scheduled the team meetings and practice sessions. They utilized the provided resources to learn the topical material of the competition and made sure they met the deadlines for the preliminary qualifying rounds.

### Kalani 5.0; Fourth Place Overall

**Zhoulin Chen:** 100% Qualifying Online Assessment in Technology

**Leala Florendo:** Key role in Buzzer Rounds of the competition

**Aileen Kang:** 100%100% Qualifying Online Assessment in Consumer Rights and Responsibility

**Kouki Oda:** Highest Score of all contestants in the 1st round topical assessment in Health and Safety

## *Congratulations*

## **Kalani High School Track and Field Improvements Project**

**The construction site is off-limits. Please do not enter the job site.**

**Mahalo to Rep. Mark Hashem, Rep. Bertrand Kobayashi and Sen. Stanley Chang for securing the necessary funds**

### **Federal Survey Cards**

Students, if you haven't already done so, please have your parents complete the Federal Impact Aid Survey Form and return the form to your period 4 class as soon as possible. More forms are available at the main office.

Your survey = money for schools. All students and schools benefit from Impact Aid.

### **Student Crime Stoppers**

**Students can also use the Student CrimeStoppers number to report crimes anonymously**

### **English Class for Adults**

**Kalani High School is partnering with McKinley Community School for Adults (MCSA)**

**REGISTRATION** : Registration will be at MCSA campus which is located at:

634 Pensacola Street Room 216

Phone: 808 594-0540

Registration will be from February 26th - 29th (Monday through Thursday) 8 am to 6:00 pm

This registration period will be the only time students can register before class actually starts on **March 4, 2024.**

After the 29th, individuals can still register throughout the class term at MCSA. They are welcome to join at anytime during the session, but they will get the most out of the class by registering sooner rather than later.

As part of the registration process, an assessment will need to be taken to ensure that they are at the proper level for the course. Participants should plan for 90 minutes to 2 hours to complete the registration process (taking the assessment and completing paperwork). In order to take the course the individual would need to score at a upper beginner to lower intermediate level of English competency. If you would like the course to be for a different level, please let me know.

For example at Waikiki ES their courses are for advanced English learners.

### **COURSE COST**

**\$20.00 cash only. No checks, apple pay, samsung pay, venmo, etc.**

The \$20.00 fee is non refundable. For example, if a person takes the course and does not like it and decides to drop the class after one session there would not be any refund of the \$20.00 fee.

### **TEXTBOOK**

There is a textbook and workbook associated with the class. The cost of the books is \$46.00 total, payable by cash only and like the course fee, the costs for the text is non refundable.

### **CLASS INFORMATION**

Class Time: Tuesday and Thursday 4:30 to 6:30 pm

Start Date: March 4, 2024

End Date: May 30, 2024

\*The class schedule will follow the DOE schedule. So whenever Kalani HS is out for a Federal or State holiday, or Spring Break, there will not be classes. The exception would be if you do not have school due to a PD day or other school event, we would still have school as planned, unless you do not want us to hold class on that day.

### **Quality Survey (SQS)**

Parents/Guardians: We respectfully request a few moments of your time to complete the School Quality Survey (SQS) for Kalani High School. The SQS measures your perceptions of the safety and well-being of your child and your satisfaction and involvement/engagement with your child's school.

Your responses will be kept confidential. One survey per child.

Thank you for your time and feedback. Last day to complete the survey is March 15, 2024.

Survey may be completed by going to the link: <https://www.surveymonkey.com/r/2024SQSParent>

## **ATHLETICS**

### **ATHLETIC NEWS:**

Athletic Communication - Email Server Change Over

The DOE has switch email servers which impacts athletic email addresses. Any addresses ending in @kalanihs.org are no longer active nor monitored. All new emails will include @k12.hi.us. We have been updating our website to reflect the new email addresses. If you need to contact the athletic department, please use the following email contacts:

General Athletic Information: Athletic Director – Gregory.Van\_Cantfort@k12.hi.us

General Athletic Information and Athletic Registration Questions: Assistant Athletic Director – Janeen.Waialae@k12.hi.us

Athletic Medical Information and forms: Athletic Trainer – [Ben.Kuenzli@k12.hi.us](mailto:Ben.Kuenzli@k12.hi.us)

Athletic Trainer – Marissa.Fukunaga@k12.hi.us

Head Coaches: Firstname.lastname@k12.hi.us

Senior-Athlete Signing Ceremony – May 5, 2024

Last year marked the inauguration of our Annual Senior Athlete Signing Ceremony, a celebration dedicated to honoring our senior students who have pledged to pursue their athletic careers at the collegiate level. This ceremony is a grand event, featuring light refreshments, live streaming, opportunities for photographs, signings by athletes alongside their parents, press releases, social media highlights, and the traditional lei presentation. The event welcomes members of the public to join in the festivities. Should your child have made a commitment to play sports in college at any level, we invite you to reach out to the Athletic Director, Gregory.Van\_Cantfort@k12.hi.us, to express your interest in participating. Further details will be provided upon your inquiry.

Athletic Awards Ceremony – May 17, 2024 at the Ala Moana Hotel

The Athletic Awards Ceremony takes place annually at the close of the school year, serving to commend student-athletes and teams for their distinguished accomplishments in sports. During this event, coaches present their Most Valuable Player Awards, while the athletic department awards the titles of Athlete of the Year and Scholar-Athlete of the Year. It's an enjoyable occasion for everyone involved. Additional information will be provided soon.

Sports You App – Pilot for Spring Sports

To enhance communication between players, parents, and coaches, our Spring Sports program is introducing a pilot of a new communication platform called Sports You. This app, available at no cost to players and parents, will be utilized to send out essential updates directly to your phone. You will receive an invitation to join soon. Spring Coaches will exclusively use this app to disseminate information, ensuring alerts reach you promptly. We understand that sometimes messages from coaches don't always get relayed to parents effectively. With Sports You, we aim to provide timely updates on schedules, changes in game times, weather-related cancellations, important deadlines, and more. If we get a positive review from players, parents and coaches at the end of the Spring Season we may expand across all sports next school year.

**ASET FEE \$60.00**

Once your child has been selected to a team, parents will receive an email asking you to log into your child's account to pay the \$60.00 Athletic Supply Equipment & Transportation (ASET) fee. The amount of money allocated by the DOE for Athletic Transportation is much less than is needed considering the current cost of buses. This fee (pays for buses) is charged once per school year regardless of the number of teams your child gets selected for. A \$3.00 convenience fee is applied to online payments.

**Continuous Notice**

The Hawaii State Department of Education (HSDOE) and its schools do not discriminate on the basis of race, color, national origin, ancestry, sex, gender identity, gender expression, sexual orientation, age, disability, and religion in its programs and activities. **Annual Notice of Non-Discrimination and Anti-Harassment Statement**

The Hawaii State Department of Education (Department) does not discriminate on the basis of race, color, national origin, ancestry, sex, gender identity, gender expression, sexual orientation, age, disability, and religion. This requirement extends to all of the Department's programs and activities, including employment and admissions as applicable. If you have difficulty understanding English, you have the right to receive language assistance at no cost to you. Please contact your school's principal for more information. For the Department high schools that offer Career and Technical Education (CTE) Programs of Study in arts and communications, business, health services, industrial and engineering technology, natural resources, and public and human services, there are no admission criteria. Department high schools will take steps to assure that the lack of English language skills will not be a barrier to admission and participation in CTE programs and will provide equal access to designated youth groups. The Department does not tolerate acts of harassment on the basis of race, color, national origin, ancestry, sex, gender identity, gender expression, sexual orientation, age, disability, and religion. Any student who believes that he or she has been subjected to harassment on the basis of race, color, national origin, ancestry, sex, gender identity, gender expression, sexual orientation, age, disability, and religion is encouraged to report such harassment. Students and parents may report allegations of discrimination or harassment to the school's administrator or to the Department's Civil Rights Compliance Branch at the address listed below. The Department is committed to conducting prompt investigations. Support, including counseling and educational resources, will be available to students who are harassed as well as to students found to have engaged in acts of harassment on the basis of race, color, national origin, ancestry, sex, gender identity, gender expression, sexual orientation, age, disability, and religion. Students found to have engaged in harassment may be disciplined up to and including suspension if circumstances warrant. Students, parents, and Department staff should work together to prevent harassment on the basis of race, color, national origin, ancestry, sex, gender identity, gender expression, sexual orientation, age, disability, and religion. The Department will not tolerate retaliation for reporting discrimination and/or harassment on the basis of race, color, national origin, ancestry, sex, gender identity, gender expression, sexual orientation, age, disability, and religion, and will take steps to protect those who wish to report the discrimination or harassment. Please direct inquiries regarding Department nondiscrimination policies to:

## **AHERA**

In 1986, Congress passed the Asbestos Hazard Emergency Response Act (AHERA) which mandated the Asbestos-Containing Materials in Schools Rule, 40 CFR Part 763. It requires all primary and secondary school buildings to be inspected by AHERA accredited inspectors and to identify all asbestos-containing building materials. The rule further requires the development of a management plan by an AHERA accredited management planner that is based on the findings of the inspection. The management plan outlines our intent in controlling the potential for exposure to asbestos fibers in our school. In February 2001, Hawaii Administrative Rules Chapter 11-502 was adopted by the Hawaii State Legislature. These rules essentially mirror the requirements of the AHERA regulations. In both cases, the rule requires our school to notify parents, teachers, and employees of the presence and status of asbestos containing material in our school buildings.

The initial inspection of our school was conducted in 1958 and identifies some asbestos-containing materials. Since that time, we continue to conduct periodic surveillances and triennial re-inspections to ensure that the asbestos-containing materials remain in good condition and do not pose a hazard to our students and staff. An asbestos management plan was drafted based on our initial inspection and submitted to the Hawaii State Department of Health. It outlines in detail the methods we will use to maintain the material in a safe manner. The management plan is updated regularly as asbestos is removed or conditions change. A copy of the management plan is on file in the administrative office and is available for your review during our regular school hours. Should you have any questions, please call the school at 808-305-0500.
