Vision: Character. Compassion. Community.

Mission : We at Kalani High School create opportunities to discover our passions, purpose, and personal pursuits.

“A vision is not just a picture of what could be; it is an appeal to our better selves, a call to become something more.

Ne'epapa: Educating our Future

To move as a whole or unit; moving or working together in unison

Congratulations

Kalani High School Coast Guard Junior ROTC Program

Congress has mandated that there needs to be at least 1 CGJROTC Unit in every congressional district by 2025. Kalani High School has been approached and has submitted an application for program consideration starting in the Fall of 2024. **We have received tentative approval and Maritime Science 1-4 will be listed in our Manual of Studies for SY24-25.** JROTC is not just for those students who are interested in serving in the military!

- In fact, less than 5% of students enrolled in JROTC ever join a branch of the service.
- However, we will assist those students who desire to achieve their goal to serve in the military.
- Instructors also assist JROTC students to achieve their post-secondary goals for college scholarships, college enrollments, A+ benefits, and trade schools
- Our main goal is to provide citizenship and leadership development focusing on those Essential Learning Skills (Soft Skills) necessary for today's competitive workforce.

CGJROTC Program Mission and Goals

The **mission** of CGJROTC is *developing service-minded citizens of character.*

- Building character and values
- Learning about government and military operations from history to present day
- Preparing for a successful career
- Honoring community and country
- Learning to lead self, to lead others, and to be a positive and productive team member

CGJROTC is a strategic investment in our future citizens and leaders with near and long-term benefits for the Service and society.

New Early College Course for Spring 2024

We are pleased to announce that for the upcoming Spring term, Kalani will be able to offer **KOREAN 101** as a dual credit course through the University of Hawaii Outreach College. The course will have in-person instruction meetings every Monday/ Wednesday/ and Friday at 2:15- 3:40 on Kalani's campus in Room C-20. The textbook cost is \$50.00. To qualify to take the course you must first be admitted as a student to the University of Hawaii Manoa Outreach College. The course is open to Sophomores, Juniors, and Seniors that meet the admissions requirement of a minimum cumulative high school GPA of 3.0.

We will be holding a mandatory meeting for new UHM Outreach College students to complete the Admissions Application during October 3rd's Advisory Period. If you are a current UHM Outreach College student you do not need to reapply for admissions, as long as you are not placed on academic probation by UHM.

KOR 101 Elementary Korean I (4) 4 hours lecture per week KOR 101 introduces the basic foundations of the Korean language that will enable students to acquire and develop language skills in speaking, reading, writing, and listening in linguistically and culturally appropriate manners. This course is designed for those who have no prior (or very limited) knowledge of the Korean language. Students will be exposed to everyday life events likely to be encountered in contemporary Korean society. By the end of KOR 101, students should be able to communicate with native Korean speakers on a number of familiar topics and be familiar with various social/cultural Korean contexts. This course will be offered through the University of Hawaii Outreach College and will be taught in-person on Kalani's campus. The enrollment requirements are that you must be a Junior or Senior with a minimum cumulative grade point average of 3.0. All students that have never taken a dual credit course from the UHM Outreach College must apply for admissions into the college and be accepted before registering for the course.

Congratulations

Traffic Concerns – Parents and Students

In response to numerous complaints from residents and other parents, **HPD will be monitoring**

- **Waieli Street for traffic violations (such as illegal U-turns) and other safety concerns**
- **the shoulder of Kalanianaʻole Highway (westbound)**
 - **Parents have been observed dropping of students while in traffic on Kalanianaʻole Highway**

Juniors

Attention Junior Parents – 5 things for parents to do during your child's junior year

1. Make sure your child meets with the school counselor. This meeting is especially important this year as your 11th-grader begins the college application process. Learn more about the counselor's role in applying to college.
2. Encourage your child to set goals for the school year. Working toward specific goals helps your high schooler stay motivated and focused.
3. Help your junior get ready for the PSAT/NMSQT. This is a test that helps students practice for college admission tests and helps to assess their academic skills. Juniors who score well on the PSAT/NMSQT are also eligible for scholarship opportunities. Find out more about the PSAT/NMSQT.
4. Talk your child about an extracurricular activity to focus on this year. It can be one your child is already involved in or something new. Sticking with extracurricular activities helps students develop their interests and lets colleges see that they can make a commitment.
5. Help your child make a plan. Help your child create a customized step-by-step college plan. Keep on top of the tasks required to get ready for applying to college, track progress and more. Your child may already have created a plan; make sure it's been updated to include his or her junior year goals.

Congratulations

ASET FEE \$60.00

Once your child has been selected to a team, parents will receive an email asking you to log into your child's account to pay the \$60.00 Athletic Supply Equipment & Transportation (ASET) fee. The amount of money allocated by the DOE for Athletic Transportation is much less than is needed considering the current cost of buses. This fee (pays for buses) is charged once per school year regardless of the number of teams your child gets selected for. A \$3.00 convenience fee is applied to online payments.

Annual Notice of Non-Discrimination and Anti-Harassment Statement

The Hawaii State Department of Education (Department) does not discriminate on the basis of race, color, national origin, ancestry, sex, gender identity, gender expression, sexual orientation, age, disability, and religion. This requirement extends to all of the Department's programs and activities, including employment and admissions as applicable. If you have difficulty understanding English, you have the right to receive language assistance at no cost to you. Please contact your school's principal for more information. For the Department high schools that offer Career and Technical Education (CTE) Programs of Study in arts and communications, business, health services, industrial and engineering technology, natural resources, and public and human services, there are no admission criteria. Department high schools will take steps to assure that the lack of English language skills will not be a barrier to admission and participation in CTE programs and will provide equal access to designated youth groups. The Department does not tolerate acts of harassment on the basis of race, color, national origin, ancestry, sex, gender identity, gender expression, sexual orientation, age, disability, and religion. Any student who believes that he or she has been subjected to harassment on the basis of race, color, national origin, ancestry, sex, gender identity, gender expression, sexual orientation, age, disability, and religion is encouraged to report such harassment. Students and parents may report allegations of discrimination or harassment to the school's administrator or to the Department's Civil Rights Compliance Branch at the address listed below. The Department is committed to conducting prompt investigations. Support, including counseling and educational resources, will be available to students who are harassed as well as to students found to have engaged in acts of harassment on the basis of race, color, national origin, ancestry, sex, gender identity, gender expression, sexual orientation, age, disability, and religion. Students found to have engaged in harassment may be disciplined up to and including suspension if circumstances warrant. Students, parents, and Department staff should work together to prevent harassment on the basis of race, color, national origin, ancestry, sex, gender identity, gender expression, sexual orientation, age, disability, and religion. The Department will not tolerate retaliation for reporting discrimination and/or harassment on the basis of race, color, national origin, ancestry, sex, gender identity, gender expression, sexual orientation, age, disability, and religion, and will take steps to protect those who wish to report the discrimination or harassment. Please direct inquiries regarding Department nondiscrimination policies to:

AHERA

In 1986, Congress passed the Asbestos Hazard Emergency Response Act (AHERA) which mandated the Asbestos-Containing Materials in Schools Rule, 40 CFR Part 763. It requires all primary and secondary school buildings to be inspected by AHERA accredited inspectors and to identify all asbestos-containing building materials. The rule further requires the development of a management plan by an AHERA accredited management planner that is based on the findings of the inspection. The management plan outlines our intent in controlling the potential for exposure to asbestos fibers in our school. In February 2001, Hawaii Administrative Rules Chapter 11-502 was adopted by the Hawaii State Legislature. These rules essentially mirror the requirements of the AHERA regulations. In both cases, the rule requires our school to notify parents, teachers, and employees of the presence and status of asbestos containing material in our school buildings.

The initial inspection of our school was conducted in 1958 and identifies some asbestos-containing materials. Since that time, we continue to conduct periodic surveillances and triennial re-inspections to ensure that the asbestos-containing materials remain in good condition and do not pose a hazard to our students and staff. An asbestos management plan was drafted based on our initial inspection and submitted to the Hawaii State Department of Health. It outlines in detail the methods we will use to maintain the material in a safe manner. The management plan is updated regularly as asbestos is removed or conditions change. A copy of the management plan is on file in the administrative office and is available for your review during our regular school hours. Should you have any questions, please call the school at 808-305-0500.
