PARKING GUIDELINES : To ensure safety, and security for our faculty, staff and students, all student vehicles are required to have a parking permit. Student vehicles parked on campus without a parking permit will result in the following actions: parent/student meeting, student's vehicle will not be allowed on campus.

Student Parking is around the track (lower campus)

Students are NOT allowed to park in the teachers' parking lot.

Student Parking is on a First Come/First Serve basis.

Once the spaces allocated for student parking are filled, students will need to park on the street.

Campus Safety

The Hawaii Department of Education Safety, Security and Emergency Preparedness Branch is responsible for the security of Department campuses. Our schools and state offices are secured as best as possible to prevent theft, vandalism, trespassing and acts of violence. Annual training is provided for all security personnel with continued research into security best practices and the latest technology.

School and student safety is a responsibility for all involved — administrators, staff, teachers, students, families, law enforcement and the broader community. Safety and security are necessary in order for learning to take place.

Closed Campus

Kalani is a closed campus. The Hawaii Kai entrance to our campus is locked from 8:30am – 1:30pm. Security is posted at the Ewa entrance and the back parking lot and we will monitor all cars entering campus. **Uber Eats and other food delivery companies will be stopped and turned away (School Food Services Guidelines).**

Chapter 19

In order to keep our schools safe, rules have been established relating to student misconduct; these rules also govern searches of students and seizures of property. Hawaii Administrative Rules, [Chapter 19](#), are derived from state law. It's important that students and parents review this information to be aware of the consequences of a Chapter 19 violation.

ASET FEE \$60.00

Once your child has been selected to a team, parents will receive an email asking you to log into your child's account to pay the \$60.00 Athletic Supply Equipment & Transportation (ASET) fee. The amount of money allocated by the DOE for Athletic Transportation is much less than is needed considering the current cost of buses. This fee (pays for buses) is charged once per school year regardless of the number of teams your child gets selected for. A \$3.00 convenience fee is applied to online payments.

STUDENT ACTIVITY CARDS ARE NOW ON SALE!

Activity Cards will be on sale all this week (August 8th - 12th) from 2:00 - 3:00 at the athletic office in the gym. These cards are available for students in grades 1 -12. \$25.00 cash or check payable to Kalani High School. We are happy to announce the return of the Kalani Student Activity Card, which students can purchase for \$25.00. This card will get your child into all Kalani regular season games (home and away) for football, boys and girls volleyball, and boys and girls basketball. Regular admission to games is \$7.00. This would save almost \$200 if your child went to every game. You may purchase additional cards for siblings to save even more. Students must present this card along with an ID to enter games. Those without cards must pay the regular admission at the online ticket store. Student Activity Cards will be sold online and at the team's parent meeting.

AHERA

In 1986, Congress passed the Asbestos Hazard Emergency Response Act (AHERA) which mandated the Asbestos-Containing Materials in Schools Rule, 40 CFR Part 763. It requires all primary and secondary school buildings to be inspected by AHERA accredited inspectors and to identify all asbestos-containing building materials. The rule further requires the development of a management plan by an AHERA accredited management planner that is based on the findings of the inspection. The management plan outlines our intent in controlling the potential for exposure to asbestos fibers in our school. In February 2001, Hawaii Administrative Rules Chapter 11-502 was adopted by the Hawaii State Legislature. These rules essentially mirror the requirements of the AHERA regulations. In both cases, the rule requires our school to notify parents, teachers, and employees of the presence and status of asbestos containing material in our school buildings.

The initial inspection of our school was conducted in 1958 and identifies some asbestos-containing materials. Since that time, we continue to conduct periodic surveillances and triennial re-inspections to ensure that the asbestos-containing materials remain in good condition and do not pose a hazard to our students and staff. An asbestos management plan was drafted based on our initial inspection and submitted to the Hawaii State Department of Health. It outlines in detail the methods we will use to maintain the material in a safe manner. The management plan is updated regularly as asbestos is removed or conditions change. A copy of the management plan is on file in the administrative office and is available for your review during our regular school hours. Should you have any questions, please call the school at 808-305-0500.
