Attendees: Madeline Tom, Robert Lee, Shannon Lee, Schuyler Otani, Mitchell Otani, Ken Kajihara, Tracie Kaneko

II. Approval of Minutes from January 31, 2017

Motion to approve: Madeline Tom

Second: Schuyler Otani

III. Old Business

- Academic Plan: WASC plan is a 3 year plan
- Traffic Flow: Parents have figured out there is a back exit to Kalani, so flow is better. There is no designated “drop off area”.
- Rhythm and Grinds: Went ok. Would like a larger crowd for vendors. Weldon Kekaoha played as one featured band. Raised about \$400 for band and orchestra. Suggestions for next year, to have food trucks more visible to the public, so the public would at least “adventure” into Kalani and possibly purchase food.
- ACT: Went well.

IV. New Business

- 4 out of 6 students were selected to attend National Science Fair
- Boys Basketball- OIA Champs and will rep for States
- Ocean Science Bowl
- 2 National Merit finalist
- Cassie and Tiffany were selected to “music for all” National Honor Band
- Seniors receiving acceptance letters- - cost is a large factor into school selection.
- WASC would like to meet with parents (Ken and Robert, as well as other parents invited by Otani). To be held in April.
- First senior grad practice went well. Class and spirit song voted on.
- Incoming GE have until next week Friday to register.
