

**KANE AREA SCHOOL DISTRICT  
2021-2022 SCHOOL BUS ROUTES**

Welcome back to Kane Area School District. Here are the new school bus routes for this year. Some of the bus routes have changed. Please read the following routes carefully. While most of the route numbers and bus numbers will be the same, on occasion they may differ so always look for the route number on the placard by the door of the bus. Please remember students should be at their bus stop 5-10 minutes before the posted time. We try very hard to stay on schedule but there will most certainly be adjustments as necessary. As always we appreciate your patience while all the changes and questions get worked out.
