## **FLEX PROGRAM**

The education you expect,  
in a style all your own.

A student's education is important, and the path to success is different for many. That's why Kane Area School District offers a K-12 educational experience tailored to the needs of individuals.

# A personalized one-on-one educational experience.

## K-12 Curriculum

Our curriculum has been specifically designed for use in online instruction and time-tested. Each course is backed by PA certified teachers and lays the groundwork for future academic success by:

- Building a solid foundation in reading, writing, and mathematics
- Developing lifelong learning and analytical skills
- Encouraging exploration, critical thinking, and problem solving

Students will have all the resources needed at their fingertips from top educational leaders like:

- Accelerate Education
- Pointful Education
- Method Teacher
- Carone Learning
- Learning A-Z
- eDynamic Learning

For complete course listings, visit <https://www.wcsdpa.org/domain/63>

## Course Schedules

Students are able to set up a course schedule that works for them. We offer:

- Full-Time
- Part-Time
- Custom (as little as 1-2 courses)
- Credit Recovery Programs

## Learning Management System

We have partnered with Buzz Agilix, which has delivered successful virtual instruction to hundreds of thousands of students in the last decade. Our system allows for a user-friendly environment to keep students organized throughout all of their coursework.

## Technology

**K-12:** Teachers engage in live lessons through Virtual Zoom meetings. A full time teacher is also available from 8am-3pm. Teachers are able to communicate through a variety of means including Zoom sessions, email, and by phone.

## Support

Our team of dedicated teachers and professionals at the work closely with parents and guardians to ensure the success of their students.

# Enjoy flexible online learning alongside your local school's programs.

## NCAA approved

Through the KASD Online Learning, students are able to participate in their local school's sports teams. Our curriculum is NCAA approved which means we adhere to academic standards that student athletes must meet in order to compete in intercollegiate athletics.

## Extracurricular Activities

While attending KASD Online Learning, students are able to participate in their local school's extracurricular activities. The flexibility of our curriculum allows students to work around these social activities.

## Additional Opportunities

The KASD Online Learning offers additional opportunities such as: going to your local school for additional courses, field trips, attending dances and proms, local technical school offerings, local events, guest speakers, career counseling and more.

## Hometown Diploma

Our Online Learning allows students to obtain their diploma from their local school as well as the opportunity to walk at graduation with their peers.
