Dear Parents,

Kingsland High School will be offering a free after-school program for students in grades 7-12. Your student is invited to participate in this opportunity. Classes will be held from 3:15 to 4:15 p.m. every Monday and Tuesday beginning the week of November 1, 2021. Students who sign up for this program will receive small group instruction and interventions in math and reading taught by Kingsland High School teachers.

Participating students will need to be picked up from the front of the Kingsland High School building at 4:15 p.m. each day. Transportation home can also be provided by the school for families wanting to participate but unable to pick your child up at 4:15 p.m.

Though this program is voluntary, we are asking that all families electing to participate in the Kingsland high school after-school program plan to attend on a regular basis. Regular attendance will help with staffing and planning instruction and interventions.
