LeRoy-Ostrander School Overview

LeRoy-Ostrander Public School has an enrollment of approximately 300 students in grades K-12. The students are housed in one building. The building is separated into the main building that houses the high school and there is an elementary wing on the lower level. All students share the gym, music room, media center, commons, computer lab, and the swimming pool. Also on the school grounds there is an elementary playground, main football field, a practice field, and a baseball field.

LeRoy-Ostrander School and McKinney Vento Act

LeRoy-Ostrander is committed to addressing the challenges that homeless children and youth face in enrolling, attending, and succeeding in school. Under the McKinney-Vento Act, state educational agencies ensure that each homeless child and youth has equal access to the same free, appropriate public education, including a public preschool education, as all children and youth.

LeRoy-Ostrander High School has always tried to provide as much educational opportunity and information on homelessness and youth in need.. The following is McKinney-Veto Homeless Education Information:

- ◆ Children and youth who are in and awaiting foster care are removed from the definition of homelessness.
- ◆ All local agencies that receive Title I Part A funds must reserve funds to support homeless students.
- ◆ Homeless children who meet the eligibility criteria do not face barriers to accessing academic and extracurricular activities.
- ◆ Local agencies must have procedures to identify and remove barriers that prevent students from receiving appropriate credit for full or partial coursework..
- ◆ The definition of school also includes preschool.

LeRoy-Ostrander Elementary school is comprised of small class sizes and wonderful opportunities. LeRoy-Ostrander Elementary school is conscience of homeless children. Being a small school we are able to identify and support any student who is homeless.

LeRoy-Ostrander is proud to offer 3 year old preschool two times a week as well as 4 year old preschool three times per week. We have assistance for these programs especially if it is a homeless situation.

Community Education plays a big part within our school district with its many offerings after school and evenings. No student will ever be turned away from our community education programs. We have grants and funding to support homeless children.

We also offer E.C.F.E. (Early Childhood Family Education), a before and after school program for kids (Cardinal Kids), and we have Cardinal Care that goes along with our preschool services.
