Pickleball 101: Intro to Pickleball

Pickleball is fun, social, and friendly! The rules are simple and the game is easy for beginners to learn, but can develop into a fast-paced, competitive game. In this Intro to Pickleball course, you'll learn the basics.

- A fun sport that combines many elements of tennis, badminton and ping-pong.
- Played both indoors or outdoors on a badminton-sized court and a slightly modified tennis net.
- Played with a paddle and a plastic ball with holes.
- Played as doubles or singles.

Ages: 18+ (if successful, we'll add youth sessions at a later date)

We will offer 3 sessions as court space is limited. Min 3/max 6 per session.

- Session 1 - Wednesday, June 7th from 3:00-4:30PM
- Session 2 - Wednesday, June 7th from 4:30-6:00PM
- Session 3 - Wednesday, June 7th from 6:00-7:30PM

Note: If sessions fill up, we will add more dates/times.

After the introductory sessions, we will survey players to see what nights work best and establish some meet up times to play likely Mondays, Wednesdays, and Thursdays.

Community Ed has a set of paddles and balls to be utilized if you do not have your own.

RAIN DATE INFORMATION: If it's raining on Wednesday, June 7th or has recently rained and the court is still wet, your session will be moved to Thursday, June 8th. We cannot play on a wet court due to risk of injury.
