****While using the performance center, you cannot block or keep the art room door open. The art room door must remain closed.**

****As a reminder to students: If you are planning on being gone on a trip or for an extended period, please make sure to get a make-up slip from the office! ALSO, if you were gone a day for being out sick or for an appointment, you must stop in the office for an admit slip to collect your assignments that you may have missed!**
