- The 2nd time being told – Student will be asked to remove the hat/hood, as well as having a detention and parents will be called.

- The 4th time – ISS

****While using the performance center, you cannot block or keep the art room door open. The art room door must remain closed.**

****As a reminder to students: If you are planning on being gone on a trip or for an extended period, please make sure to get a make-up slip from the office! ALSO, if you were gone a day for being out sick or for an appointment, you must stop in the office for an admit slip to collect your assignments that you may have missed!**

****Students MUST exit the building after school unless in a supervised activity. NO students should be in the building after 3 p.m.!**

Wednesday, April 17th will be the first day of MCA testing for 6th, 7th, 8th and 10th grade students. Please see the schedules in the hallways on the bulletin boards and in the Commons with information where each class will be reporting to. As a reminder, please make sure your devices are fully charged and bring your chargers with you for testing!

FFA Teams headed to state – make sure you are down studying in the Ag Room and Shop during lunches, study halls and more in preparation for upcoming State FFA Convention!!

Any 6th-8th grade student interested in entering an economic & personal finance poster contest should contact Mrs. Nehl for contest rules. All submissions need to be turned in by April 23rd.
