x - district required testing

+ - state required testing

* - optional college placement testing

Assessment Information:

The Minnesota Comprehensive Assessments (MCAs) are a state required assessment given one time per year in an April testing window.

PSAT, Accuplacer, ASVAB, ACT, SATand AP/CLEP assessments are offered to grade 11 students and scheduled determined by need.

All other K-11 assessments are benchmark assessments that are given in the fall and spring assessment windows. Some students who receive intervention instruction may also take place in progress monitoring assessments to determine learning levels.
