

Lyle Public School District 497

Lyle Public School ISD 497 seeks a dynamic and motivated Part Time High School Chemistry teacher who values positive teacher-student relationships and will provide hands-on learning opportunities for the 2024-2025 school year. Lyle Public School offers a small class size setting in a PreK-12 building.

POSITION: High School Chemistry Teacher (Part time - .20 FTE)

BEGINNING DATE: 2024-2025 School Year

SALARY: Per Master Contract Agreement

EMPLOYMENT REQUIREMENTS/CONDITIONS: The District requires candidate to have current High School Chemistry/Science license issued by the Minnesota Department of Education, or a desire to pursue this license.

If you are interested in applying, please send or email the following information:

1. Letter of interest
2. Current resume
3. Copy of current MN teaching license
4. 3 letters of recommendation
