

For Immediate Release:

Attention Lyle families,

Lyle Public School will be providing a grab and go breakfast and lunch to be available between 11:30-12:30pm Monday through Friday starting Wednesday, March 18th. Children or parents who wish to receive their meal and breakfast for the next morning are to come to the main school doors at 700 2nd St to receive your meal. All children aged 1-18 are eligible for these meals.

We are utilizing what we currently have in inventory and are in the process of ordering other items for next week also. If children or parents are unable to get to the school, please let us know and we can coordinate a delivery method. The school phone number is 507-325-2201.

Special note: If your child has a special food allergy we need to know in advance so please let us know.

I've also attached to this letter information from Austin Public Schools which details how they are serving their resident student's meals. Many of Lyle students reside within the APS district boundaries and this is a benefit locally for them. If meals need to be delivered in Lyle, LPS will be delivering to those who live in rural areas as well as the city of Lyle. I thank you for your patience and understanding. Please monitor our social media and further correspondence as plans are sure to change in the coming weeks.

FOOD DISTRIBUTION DISTRIBUCIÓN DE COMIDA

Here at Austin Public Schools, student health and safety is one of our top concerns, and we know that many students depend on the meals served at our schools. In response to the upcoming school closures, we are providing an opportunity for all students to receive meals, **free of charge**.

We have been working with community partners to provide these meals to **any child, ages 1-18**. Buses will be at the locations listed from **11:30 to 12:30, Monday through Friday, March 18-27**. Every child will be provided with a bag lunch and a breakfast for the following day. Meals can be picked up by the student or a parent/guardian.

If you have any questions, please contact us at 507-460-1900.

Aquí en las Escuelas Públicas de Austin, la salud y la seguridad de los estudiantes son algunas de nuestras principales preocupaciones, y sabemos que muchos estudiantes dependen de las comidas que servimos en nuestras escuelas. En respuesta a los próximos cierres de escuelas, estamos ofreciendo una oportunidad para que todos los estudiantes reciban comidas **sin cobro**.

Hemos estado trabajando con colaboradores comunitarios para proporcionar estas comidas **a cualquier niño de 1 a 18 años**. Los autobuses estarán en las ubicaciones enumeradas de **11:30 a 12:30, de lunes a viernes, del 18 al 27 de marzo**. Cada niño recibirá una bolsa con el almuerzo y un desayuno para el día siguiente. Las comidas pueden ser recogidas por el estudiante o uno de sus padres/tutor.

Si tiene alguna pregunta, por favor llámenos al 507-460-1900.
