

Lyle District Transportation Form

2023-2024 School Year

****Important Information Regarding District Transportation****

1. The completion of this form is critical for our planning purposes. Space on our buses is very limited.
2. All families must complete this form, regardless of transportation needs.
3. Complete this document in full. Forms not completely filled out or late may delay or deny your child's transportation needs.
4. Safety is and always will be our highest priority. Inappropriate student behaviors that violate our district expectations may result in a student losing their bus riding privilege for a significant amount of time. This would require families to transport their children to and from school.
5. Our transportation pick-up and drop-off timelines are very tight. To assist with this, we will only allow one pick-up and one drop-off location. We understand this may inconvenience some families and appreciate your understanding of this.
6. If your child(ren) are sick, they are expected to stay home for the day. Please contact the school.
7. Families choosing to transport their own child(ren) is appreciated. This enables us to provide transportation for those families that are unable to do so.
8. Lyle Public School has the authority to remove a student from our bus routes if we recognize a pattern of a student not using bus transportation. This will especially be authorized when there are other students on a waitlist for district transportation.
9. Any future changes to Pick-up or Drop-off locations must be requested in writing using the Mid-Year Change in Transportation Form.

Bus Expectations

School transportation is a privilege, not a right. Failure to comply with the posted rules on the school bus, as well as any other rules established by the bus driver, may result in suspension from bus services and/or school for a specified period of time. Students will be written up and discipline will follow district policy.

Please see Student Handbook for a more detailed description of our Bus Expectations.

Rules on the Bus

1. Immediately follow the directions of the driver.
2. Sit in your seat facing forward.
3. Talk quietly and use appropriate language.
4. Keep all parts of your body inside the bus.
5. Keep your arms, legs, and belongings to yourself.
6. No fighting, harassment, intimidation, or horseplay.
7. Do not throw any object.
8. No eating, drinking, or use of alcohol, tobacco, or drugs.
9. Do not bring any weapons or dangerous objects on the school bus.
10. Do not damage the school bus.
11. ONLY assigned kids allowed to ride the bus. Friends will not be allowed to ride home on other buses.

Failure to comply with any of these expectations may result in removal of our bus services. We are limited to the number of students we can transport with many students on a waiting list.

Thank you for your understanding during this time.

I have read and will adhere to the expectations listed above. If my child(ren) does not follow these expectations, I understand they may lose their privileges for riding the school bus and I will provide transportation to and from the school for them.
