

Wednesday, March 25, 2020

Good afternoon Lyle community,

This afternoon Governor Tim Walz issued some clarity on what the next month will look like for us. Here is a summary of what we heard which provides us with some hope and clarity.

- He is extending the school closure statewide at least till May 4th.
- Distance learning will commence on Monday, March 30 through at least May 4th.
- Extension of public schools to continue feeding of children just like we have been doing during this time.
- Extension of providing daycare for school aged children of emergency workers during this time.

Please continue to monitor your email and social media accounts for any further updates as they seem to occur daily. Also, check our COVID-19 tab for all correspondence from regarding district plans. <https://www.lyle.k12.mn.us/page/3930>

We thank you for your patience and understanding during this historical event.

Bryan Boysen

Superintendent and Elementary Principal

Lyle Public School District #497

700 2nd St Lyle, MN 55953
