

Did you know you could check your lunch account on JMC with your Parent Access?

Log into your Parent Access Account on JMC and you can get answers for all those questions!

The web address is: <https://mabelcanton.onlinejmc.com/>

Contact the office for your username and password then log in under the *Parents* tab.

With access to your account, you will be able to check your hot lunch account balance and see your student's purchase history and your family deposit history by clicking the **Lunch** tab.

The top will show all purchases and deposits for all the students linked in your Parent Access account. The bottom half gives you the option to select students separately.

The screenshot shows the JMC Parent Access interface. On the left is a navigation menu with options like Home, Academics, Report Card/Transcript, Lunch, Health, Discipline, Tuition/Fees, Parent Information, Bus, Register for 2019-2020, Meals Application, and Log Out. The main area displays the 'Lunch' tab. It includes a 'Current Balance' section with a table with columns: Date, Transaction, Student, Amount, and Balance. Below this is a 'Lunch Students' dropdown menu. Further down are fields for 'Student ID', 'Grade', and 'Birth Date'. At the bottom is another table with columns: Date, Transaction, and Amount.

Mabel Canton School also sends out notification emails once the account reaches \$6.00. If you would like to be notified when your account reaches a different amount, you can log in and go to:

Academics ► Alert Configuration- fill in *Low Balance Limit* under the *Family Lunch Balance Alert* then click save.

The screenshot shows the 'Alert Configuration' page in the JMC Parent Access interface. It has a 'Select Student' dropdown at the top. Below it are three sections for configuring alerts: 1. 'Family Lunch Balance Alert' with a 'Low Balance Limit' input field and a 'Save' button. 2. 'Period Attendance Alert' with two checkboxes: 'Send an Email Alert when marked Absent' and 'Send an Email Alert when marked Tardy', and a 'Save' button. 3. 'Missing/Late Scores Alert' with three checkboxes: 'Send an Email Alert when Missing Scores', 'Send a Text Message Alert when Missing Scores' (which is checked), and 'Send an Email Alert when Late Scores', and a 'Save' button.

If your family is not in a Family Account and you would like them to be, email hotlunch@mabelcanton.org.
