Boiler Exam Information:

All boiler license exam levels will be available for testing. You will need to complete the Individual Boiler Engineer License Examination Application through the Department of Labor and Industry.

You will need to pay the state examination application fee of \$50, payable to the MN Department of Labor & Industry. Here's what you need to do to sign up for the exam portion:

Complete the Individual Boiler Engineer License Examination Application through the Department of Labor Industry

<https://secure.doli.state.mn.us/license/initialapp.aspx>

1. *Important:* You must apply with the state prior to attending—we will not be accepting applications on site. Please allow for ample time for your application to be processed.
2. The help number for licensing questions at MN State Department of Labor and Industry is 651-284-5031
3. You can select the Merit Center in Marshall, MN as your exam site on the MN department of labor website after you have:
 - Applied to the state to take your exam.
 - Been approved by the state to take your exam.
 - Paid the \$50 fee to the state.
 - You will receive notification from the Department of Labor & Industry once your application has been approved. Bring this documentation and a photo ID with you to the training/test on May 2nd.
 - For more information on licensing, go to:
<https://www.dli.mn.gov/workers/boiler-engineer/licensing-boiler-engineer>

Once you pass the exam, the State will send you a second invoice for your license fee.
