to me

To Medford School Families, As a result of Governor Walz's announcement this morning, Medford Schools will be closed tomorrow and remain closed through March 27 due to the coronavirus. We will continue to develop our response based on the recommendations of the Minnesota Department of Health, Governor Walz, and the Minnesota Department of Education. Additionally, all school events and student activities are cancelled through March 27. We recognize other area schools may be planning their cancelation procedures differently due to the timing of spring breaks. The situation is fluid and more details and messages will be coming. These messages will include information on an e-learning program for students, food service options and a window of time where students with a parent or guardian may enter the building to get supplies and devices. Teaching staff and administration will be working Monday and Tuesday to work out the details. Again Medford Schools will be closed beginning Monday, March 16 through Friday March 27. Be sure to check our webpage and future emails. From Superintendent Ristau
