Principal, Adam Nelson, Ed.S. | Dean of Students, Kris Hoffman

WORKING SESSION MEETING MINUTES

Monday, August 8, 2022

5:30 p.m. – Merritt Auditorium

1. Call the Working Session to order – Meeting called to order by Chair Tiedeman at 5:30 pm
2. Pledge of Allegiance
3. Roll Call – Treasurer Charles Bainter was absent.

4. Baseball Field/Shed- Discussion continued regarding moving the shed at the baseball field that actually sits on a neighbor's property and not ours and adding a concession stand. Mr. Winans provided information to the board about the space needed to store equipment that would include a concession stand within that same building. Mr. Winans will be getting quotes to bring to the board at a future meeting.

5. Open Enrollment-In order to properly plan the start of a school year, Dr. Engebritson suggested the open enrollment deadline for the 23-24 school year and beyond be changed to June 1. This will go to the board for approval at the August 22, 2022 regular school board meeting.

6. Policies-Dr. Engebritson shared with the Board the need to do an emergency approval of updated MSBA policy 418-Drug-Free Workplace/Drug-Free School due to new legislation that makes edibles and beverages with hemp now legal in the state of Minnesota. This will be on the agenda at the August 22, 2022 regular school board meeting for approval. Policy 524-Acceptable Use of Internet was also discussed due to data privacy now including the requirement that school districts notify parents of what technology tools we use for curriculum, assessment, and testing and post it on our website. This policy will have the typical three readings at our next three school board meetings.

7. Regular School Board Meeting – Monday, August 22, 2022
