1. Call the Working Session to order-Meeting called to order by Chair Jesch at 5:30 p.m.
2. Pledge of Allegiance
3. Roll Call-Vice-Chair Jason Gellerstedt, Director Jesse White
4. Old High School-Delta leased old high school through August 31st. The Northland Learning Center also expressed interest, however, the old high school will not be a good fit for them. ERATS also has expressed interest in the building, however there is some concern about the cost of the utilities. They have also had other entities reach out and offer other options. etc. The rough cost for FY 19 to minimally heat the building, insurances, etc. was \$73,421. Dr. Engebritson is in contact with Gary Cerkenik to explore options of demolishing the building or what other options might be available, such as putting up the school for auction.
5. Start of School Planning-A planning committee has been organized to start implanting a plan for how we will start the 20-21 school year with social distancing. There have been two meetings so far where staggered passing times, parent drop off/pick up, cleaning schedules, and how lunch will be served were discussed. The next planning meeting will be held on Thursday, August 13th. Disposable masks, face shields, hand sanitizer, wipes, and Kleenex have all been ordered. IEA, Inc. will be coming in to train custodial staff on proper cleaning techniques. We hope to have a concrete plan ready to be published to our website well before the deadline of the week before school.
