Non-Separating Classes for Children Birth to 42 Months Old

Non-Separating means adults stay with children

Most projects offered in the following classes are geared toward children ages 12 months and up but we know how important it is for babies to be able to get out, explore, and interact with others. We encourage families with babies to register for the following classes and enjoy our classroom designed for children birth on up, connect with other families, and become familiar with our ECFE program.

Little Picassos

For children birth to 42 months old, non-separating class

Yellow, red, green, and blue...we have some fun in store for you! Have you always wanted to create those cute painting projects you see online but don't want to hassle with the mess? This class is for you! Have some fun and leave the mess at school. Your child will be able to create 'art-rageous' pieces of art! Wear your messy, play clothes and get ready to paint.

Sibling care is offered FREE of charge, but please remember to register them when registering your child.

This class is offered two different times.

Date: Monday, June 13, 2022
Time: 9:00 A.M. - 10:00 A.M.

Early Childhood Screening

For children three to five years of age

Early Childhood Screening is a quick and simple check of how your child is growing and developing between the ages of three and four years. A screening typically takes about an hour to two hours to complete. At your child's screening, Licensed Early Childhood staff will check vision, hearing, height and weight, immunization (shots) status, thinking, language, and communication skills, social and emotional development. Early Childhood Screening is required by the State of Minnesota for every child entering Kindergarten and School Readiness Preschool.
