¡Bienvenidos a la clase de Español!

Learning a language is an unconscious process. It happens when you engage in the language & when you listen with the intent to understand.

Absent?

The goal is to move forward in our proficiency, so if you are absent, it is **your** responsibility to check Google Classroom and Calendar, ask a friend, and the teacher what you missed, and make it up **as soon as possible**.

Recordings of lessons may be posted on Google Classroom so if you are not here for new information, you are expected to watch them!

Cell phones should never be visible during class time.

¡Trabaja duro y diviértete!
