# Dear Parents,

Although we are affiliated with the school, we are a different program entirely. **The teachers need to know where to send your child and on what days.** KIDS Plus needs a written confirmation if your child is doing anything different than having you pick them up. If you would like to have your child walk home we also need written permission. **We need to have an emergency name and number for your child. If we do not have at least one other contact person besides yourself we will not be able to let your child come to KIDS Plus.** Please fill out the registration form completely. All registration fees will need to be paid with registration. If special arrangement's are needed please do so. We can work with everyone to figure out payment. Parents must come into the classroom (Room #602) and sign your child out of the class. We cannot let your child leave without having a parent/guardian sign them out. Please remember pick up time is between 5:25-5:30.

Week Two: Feb. 13th, 15th
