## **Moose Lake School District Plan to Survey Students**

### **2022 Minnesota Student Survey**

Our school district is asking students in grades 5, 8, 9 and 11 to participate in the 2022 Minnesota Student Survey (MSS). Federal law requires us to notify parents of this school activity. The MSS is conducted in schools across our state every three years.

Questions on the survey are about many topics relating to young people's lives. The survey asks about how well school is going, future plans, out-of-school activities, physical and mental health, relationships, substance use and more. High school students are asked about sexual behavior. This useful information about their thoughts and behaviors helps communities and schools develop effective programs and provide better services.

**Date the Minnesota Student Survey (MSS) will be administered:** The week of February 7, 2022

**If you have questions about the survey, please contact:** Jillian Smith: [jillian.smith@isd97.org](mailto:jillian.smith@isd97.org)
