I have read the MPA 2023-24 Drama Rule Book and Bulletin, have approved the script and production, and am aware the play is for a family-type of audience. Sexual content that is gratuitous and inappropriate for family audiences may result in a principal being asked to explain his/her decision to approve a play to the Interscholastic Management Committee. I am also aware of the necessity to pay appropriate royalties prior to performances.

PLEASE - It is IMPORTANT to notify the MPA office ASAP if it becomes necessary to withdraw from the Festival.
